The Kitchen
Sink Limited

Expertise in ceramics since 1748.

For more than 270 years, Villeroy & Boch has stood for outstanding quality, innovative designs and the highest materials and aesthetic requirements. Designers and product managers develop collections and concepts based on this tradition that shape living environments. Each product is outstanding with its unique form and lovingly crafted details. Villeroy & Boch sinks have all the advantages of high-quality, premium ceramic. Ceramic sinks are equally impressive with regard to functionality, aesthetics and quality and meet the different everyday requirements in the kitchen. You will be surprised and impressed by our innovative design made by Villeroy & Boch.

ADVANTAGES OF CERAMICS

A very special material.

Everyday life in the kitchen demands a robust material that is as tough as they come but also very forgiving. Villeroy& Boch takes advantage of the positive characteristics of ceramic, a natural, modern material that offers many benefits in the kitchen, particularly in the sink area.

Durability

Ceramic is resistant to extreme temperatures.

Hygiene

Ceramic does not take on flavours or smells.

Robustness

Ceramic is resistant to shocks and scratches.

Cleaning

Ceramic is especially easy to clean.

WARRANTY

Villeroy & Boch AG ('Villeroy & Boch') warrants that the following products manufactured by Villeroy & Boch and supplied in the Republic of Ireland by an authorised Villeroy & Boch supplier will be free from defects in materials and workmanship, and, for the following periods from the date of purchase:

- 5 years for ceramics;
- 5 years for wastes;
- 2 years for taps;
- 1 year for baskets, boards, strainer bowls and other sink accessories.

Villeroy & Boch will provide replacement seals and washers free of charge if they are required to rectify any fault due to a defect in materials or workmanship appearing within the 1 year warranty period subject to the conditions set out below. Labour is not included in the warranty for replacement seals and washers.

This warranty is in addition to and does not affect your statutory rights.

EXCLUSIONS

This warranty is for normal domestic use only and does not cover:

- any defect or injury caused by or resulting from misuse, abuse or neglect, accidental damage, improper installation or other alterations or modifications which affect the reliability or performance of the product not attributable to a defect in materials or workmanship;
- the effects of poor water quality and chemical attack which will affect the longevity of the product;
- any defects or injury caused by or resulting from products installed in a way that was contrary to any applicable National Standards or regulatory requirements;
- any defects or injury caused by or resulting from installation of product in situations outside of the European standards for plumbing installation;
- any defect or injury caused by or resulting from the use of epoxy glues;
- any defect or injury caused by an act, default or omission of, or any representation made by, any person other than Villeroy & Boch or an employee or agent of Villeroy & Boch.
